## How to Make Your Dreams Come True?

---

| The most common “recipe for success” is “Just do it”.

**What did you do for your dream to becomes true?** What is your dream all about? Buying a house for your family? Start a new startup business in the IT Industry? Traveling the world?

You can create your own reality and make things happen in a way you like. No matter what your dream is, you can accomplish it. Your way of thinking, the decisions made, and the actions taken determine your personal achievements.

## Simple Steps to Make Your Dreams Come True!

---

There are more realistic ways on how to make your dreams come true in the following steps.

### 1. What's your dream?

---

Most people I know have a dream. In fact, I've asked hundreds, if not thousands, of people about their dream.

Some willingly describe it with great detail and enthusiasm. Others are reluctant to talk about it. They seem embarrassed to say it out loud. These people have never tested their dream. They don't know if others will laugh at them.

They're not sure if they're aiming too high or too low. They don't know if their dream is something they can really achieve or if they're destined to fail.

Start with the easiest one. **What feels good to you?** You don't need to decide everything right at this instant of time, but you need to start observing ideas for your life that make

you feel excited and enthusiastic about the possibilities.

List out the things on a paper. Just keep out some kind of exciting record of what your dream for your life is.

## 2. Realize fear in your eyes, then release it

---

Whatever or Whenever we decide to do something before or after we want often shows fear in eyes. Because we are moving beyond our comfort zone. But don't let it keep us in a state of dreaming about our dreams instead of living our dreams.

It depends on all in our attitude. Choose the right attitude. Release fear. Conquer on the fear.

## 3. Focus on your Dreams

---

If you visualize, how to make your dreams come true then ask yourself what else you can do to make it comes true.

When you work on any of your dreams without any plan of how to achieve it, your efforts are more likely to be disjointed. You must have got to build a plan to get you from where you are to where you want to go.

**The plan will keep you on track**, and minimize the detours that slow or delay your progress toward your dreams.

## 4. Take action! Step by Step

---

The secret of making your dreams come true is to take actions that can lead to their implementation at any given moment. This is the part where you actually do/take action.

**Find out, what you need to do to make your dreams come true?**. Then ready do it.

Many people never embark on doing something just because it seems too far and unreachable to them. But we need to do many little steps to make your dream comes true. And also set a deadline to your target. Because you know you can't miss it, you do what you need to do to get things done.

## 5. Take other's success as inspiration

---

A lot of times your dreams don't happen in one day. They always take time. And sometimes you'll need a bit of encouragement along the way to keep you going.

For that, you can refer to other success story and learn from that what they did for their dreams and what you are doing for your dreams to make it true. They are a lot of success story you can watch or read. It will act as inspiration in your Life.
